

## Street Life

Randy Crawford

I play the street life, because there's no place I can go  
street life - it's the only life I know  
street life - and there's a thousand parts to play  
street life - until you play your life away

You let the people see, just who you wanna be  
And every night you shine, just like a super star  
That's how the life is played a ten cent masquerade  
You dress, you walk, you talk  
You're who you think you are

Street life - you can run away from time  
Street life - for a nickel or a dime  
Street life - but you better not get old  
Street life - or you're gonna feel the cold

There's always love for sale a grown-up fairytale  
Prince charming always smiles behind a silver spoon  
And if you keep it young your song is always sung  
Your love will pay your way beneath the silver moon

Street life - Street life  
Street life - Street life

I play the streetlife, because there's no place I can go  
Street life - it's the only life I know  
Street life - and there's a thousand parts to play  
Street life - until you play your life away - ooh

Street life - Street life  
Street life - Street life
