

## Sweetest Thing

Randy Crawford

Sweetest Thing  
Like the brightest moon  
You take away the shadows from my night  
Like the sweetest tune  
You take the blue and turn it into white  
As sure as every wave that breaks  
I'll follow every move you make  
I do, I do  
Cause your light shines so bright  
I see it glow though your skin  
Your love is the sweetest thing  
I'm so high tonight  
Like I'm floating on air  
I can feel you everywhere  
Your loves the sweetest thing  
Loves the sweetest thing  
Like the perfect kiss  
Leaves you breathless when two hearts make one  
And with your heavenly caress  
You let me know the best is yet to come  
I hang on to every word you say  
Cause no one else makes me feel the way  
You do, you do  
Cause your light  
Shines so bright  
I see it glowing through your skin  
Your love is the sweetest thing  
I'm so high tonight  
Like I'm floating on air  
I can feel you everywhere  
Your loves the sweetest thing  
Loves the sweetest thing
