The Rain Lyrics

Tender Falls The Rain

Tender falls the rain
As I speak your name
And what it means to me
Tender falls the tears
As I think of all the years
And all the joy we shared

Leaving me this way
Theres just no more words to say
Except I love you baby
I still love you baby

I guess I couldn't see
Just what you mean to me
Until the rain began

Tender falls the light
As I hold our pillow tight
In place of you dear
Gently calms the pain
As I call out your name
He no longer hears
No longer hears

Leaving me this way
Theres just no more words to say
Except I'm sorry baby
I'm so so sorry baby
I guess I couldn't see
Just what you mean to me
Until the rain began

Leaving me this way
Theres just no more words to say
Except I love you baby
I still love you baby

Deep inside I know
This love would grow and grow
Forever more

Tender falls the rain
Tender falls the rain
