

How Many Times

Randy Houser

I really went and did it this time
Done it for good too

Woke up this morning couldn't find my baby
Crossed over that line one too many times
Cheating, drinking, can nothing save me?
I mean think about it

How many times can you do your woman wrong?
You find out if you keep on and on, and on, and on
That's what I did and I was a fool, I mean a fool

I'm here to tell you I was a fool
You know I should have seen it coming
Lord knows I had it coming
I treated her so mean and cruel, yeah I did

And I put my love in a place it don't belong
And I'm paying for it now, she's gone, gone, gone, gone
My baby's gone

How many times can you do your woman wrong?
You'll find out if you keep on and on, and on, and on
Oh, if you keep on and on

Yeah, you'll find out if you keep on you're gonna lose that woman
On and on, and on, and on, and on, and on, and on
