

# Paycheck Man

Randy Houser

Another sack of groceries  
Another tank of gas  
These days a dollar it goes to quick  
Man, it just don't last  
Always something, can't catch a break  
Ain't no saving for a rainy day

I'm a paycheck man  
Working hired hand  
I'd take this job and shove it but i just can't  
Gettin' up out of bed  
Keepin' them babies fed  
Never gonna get ahead  
But there ain't no quittin' doing all i can  
I gotta make a livin', I'm a paycheck man

Broke-down back, hell just my luck  
I tried to call in sick but the boss man says  
"Son, you better show up."  
So I bite my tongue and I check my pride  
And I punch that clock, ya'll, that's just the life

I'm a paycheck man  
Working hired hand  
I'd take this job and shove it but i just can't  
Gettin' up out of bed  
Keepin' them babies fed  
Never gonna get ahead  
But there ain't no quittin' doing all i can  
I gotta make a livin', I'm a paycheck man

Well, folks like us are the heartbeat of this great land  
Puttin' in more than we getting back  
Workin' overtime for uncle sam

I'm a paycheck man  
Working hired hand  
I'd take this job and shove it but i just can't  
Gettin' up out of bed  
Keepin' them babies fed  
Never gonna get ahead  
But there ain't no quittin' doing all i can  
I gotta make a livin', I'm a paycheck man

I'm a paycheck man
