

# Feels Like Home

Randy Newman

Something in your eyes  
Makes me want to lose myself  
Makes me want to lose myself  
In your heart

Something in your voice  
Makes my heart beat fast  
Hope this feeling will last  
The rest of my life

If you knew  
How lonely my life has been  
And how low I've felt for so long  
If you knew  
I wanted someone to come along  
And change my world  
The way you've done  
It feels like home

Feels like home to me  
Feels like I'm on my way back  
Where I come from  
Feels like home  
Feels like home to me  
Feels like I'm on my way back  
Where I'm from

With your embrace  
Down a long dark street  
And a sigh of wind in the night  
It's alright  
Cause I have you here with me  
And I can almost see  
The dark feels light

If you knew  
How much this moment means to me  
And how long I've waited for your touch  
If you knew  
I wanted someone to come along  
I never thought I'd love anyone  
So much

Feels like home  
Feels like home to me  
Feels like I'm on my way to where I come from  
Feels like home to me  
Feels like home to me  
Feels like I'm on my way back to where I belong  
Feels like I'm on my way back to where I belong
