

# God's Song (That's Why I Love Mankind)

Randy Newman

Cain slew Abel, Seth knew not why  
For if the children of Israel suppose to multiply  
Why must any of the children die?  
So he asked the Lord and the Lord said

"Man means nothing he means less to me  
Than the lowliest cactus flower or the humblest yucca tree  
He chases round this desert 'cause he thinks that's where I'll  
be  
That's why I love mankind"

I recoil in horror from the foulness of thee  
From the squalor and the filth and the misery  
How we laugh up here in Heaven, prayers you offer me  
That's why I love mankind

The Christians and the Jews were having a jamboree  
The Buddhists and the Hindus joined on satellite TV  
They picked their four greatest priests  
And they began to speak

They said "Lord the plague is on the world  
Lord no man is free  
The temples that we built to you have tumbled into the sea  
Lord, if you won't take care of us  
Won't you please please let us be?"

And the Lord said  
And the Lord said

"I burn down your cities, how blind you must be  
I take from you, your children and you say how blessed are we  
You all must be crazy to put your faith in me  
That's why I love mankind, you really need me  
That's why I love mankind"
