God's Song (That's Why I Love Mankind)

Randy Newman

Cain slew Abel, Seth knew not why
For if the children of Israel suppose to multiply
Why must any of the children die?
So he asked the Lord and the Lord said

"Man means nothing he means less to me
Than the lowliest cactus flower or the humblest yucca tree
He chases round this desert 'cause he thinks that's where I'll
be

That's why I love mankind"

I recoil in horror from the foulness of thee From the squalor and the filth and the misery How we laugh up here in Heaven, prayers you offer me That's why I love mankind

The Christians and the Jews were having a jamboree The Buddhists and the Hindus joined on satellite TV They picked their four greatest priests And they began to speak

They said "Lord the plague is on the world Lord no man is free The temples that we built to you have tumbled into the sea Lord, if you won't take care of us Won't you please please let us be?"

And the Lord said And the Lord said

"I burn down your cities, how blind you must be I take from you, your children and you say how blessed are we You all must be crazy to put your faith in me That's why I love mankind, you really need me That's why I love mankind"
