

# He Gives Us All His Love

**Randy Newman**

He gives us all his love  
He gives us all his love  
He's smiling down on us from up above  
And he's giving us all his love

He knows how hard we're trying  
He hears the babies crying  
He sees the old folks dying  
And he gives us all his love

Now if you need someone to talk to  
You can always talk to him  
And if you need someone to lean on  
You can lean on him

He give us all his love  
He gives us all his love  
He's smiling down on us  
From up above

And he's giving us all his love  
He's smiling down on us  
From up above  
He gives us all his love
