

Let's Burn Down the Cornfield

Randy Newman

Let's burn down the cornfield
Let's burn down the cornfield
And we can listen to it burn

You hide behind the oak tree
You hide behind the oak tree
Stay out of danger 'til I return

Oh, it's so good, on a cold night
To have a fire burnin' warm and bright

You hide behind the oak tree
You hide behind the oak tree
Stay out of danger 'til I return

Let's burn down the cornfield
Let's burn down the cornfield
And I'll make love to you while it's burning

And I'll make love to you while it's burning
