

Marie

Randy Newman

You looked like a princess
The night we met
With your hair piled up high
I will never forget

I'm drunk right now baby
But I've got to be
I never could tell you
What you mean to me

I loved you the first time I saw you
And I always will love you Marie
I loved you the first time I saw you
And I always will love you Marie

The song that the trees sing
When the wind blows
You're a flower, you're a river
You're a rainbow

Sometimes I'm crazy
But I guess you know
I'm weak and I'm lazy
And I hurt you so

I don't listen
To a word you say
And when you're in trouble
I turn away

But I love you
I loved you the first time I saw you
And I always will love you Marie
I loved you the first time I saw you
And I always will love you Marie
