

# Pants

Randy Newman

Gonna take off my pants [Repeat: x4]

And your mama can't stop me  
And your papa can't stop me  
And the police can't stop me  
No one can stop me

Gonna do it right now  
Gonna do it right now  
I'm gonna take off my pants  
Gonna take off my pants

And your teachers can't stop me  
And your priests can't stop me  
And your firemen can't stop me  
And the President can't stop me

Will you take off my pants?  
Will you take off my pants?
