

The Story of a Rock and Roll Band

Randy Newman

They were six fine English boys
Who knew each other in Birmingham
They bought a drum and guitar
Started a rock-roll band
And Johnny played little violin
And Bobby Joe played the big violin
The one that stands on the floor
They were all in the rock-roll band
Their first song sounded like this
Please get me a witness
Please get me a witness
Right off, they needed a name
Someone said, "How 'bout the Renegades ?"
Johnny said, "Well I don't know.
I prefer E.L.O." I love their "Mr. Blue Skies"
Almost my favorite is "Turn to Stone"
And how 'bout "Telephone Line"?
I love that E.L.O.
