Better Than I Ought To Be

Randy Rogers Band

Well I'm a whole lot better than I ought to be Don't know why things keep going right for me All I've ever done is run wild and free I'm a whole lot better than I ought to be

Well I guess I must've done something right Some other time or place maybe some other life There's no way I deserve how I've been blessed If it was up to me I'd still be a mess

Cause I'm a whole lot better than I ought to be Don't know why things keep going right for me All I've ever done is run wild and free I'm a whole lot better than I ought to be

And oh I don't wanna wake up I just wanna keep living this dream Oh I could never make up Anything as good as what's happening to me

Well I try my best but I can do no wrong Blues come my way but they never stay long I thought I had it all when I didn't have a buck It ain't easy having all the luck

Well I'm a whole lot better than I ought to be Don't know why things keep going right for me All I've ever done is run wild and free I'm a whole lot better than I ought to be

All I've ever done is run wild and free
