

Lost And Found

Randy Rogers Band

Day after day,
I tell myself you never meant the words that you said,
Night after night I lie here alone,
Can't get you out of my head,
Like a fool I let our love slip away,
Left me here what more can I say,

Missed my chance I lost my turn,
My ship sank, I crashed and burned
Broke your heart then I let myself
down, Lost the fight I lost the game,
Now there's only me to blame,
If you wonder where I am check the
lost and found.

Time after time I fell short of the man you needed me to be,
Lie after lie I left you no choice but to pack your clothes and
leave,
Got too much pride to beg you to stay,
But before you go just let me say

Missed my chance I lost my turn,
My ship sank, I crashed and burned
Broke your heart then I let myself
down, Lost the fight I lost the game,
Now there's only me left to blame,
If you wonder where I am check the
lost and found.

My ship sank, I crashed and burned,
Broke your heart then I let myself down,
Lost the fight I lost the game,
Now there's only me left to blame,
If you wonder where I am check the lost and found.
If you want to find me.
