

# Missing You Is More Than I Can Do

Randy Rogers Band

The bright lights and the big city life  
Drove you right out of town  
I watched you leave with a smile on my face  
I knew I never could tie you down  
You got settled in, down at the Seashore Inn  
And made some new friends of your own  
Now it's been two years and I'm not quite sure  
But I don't think you're coming home  
While you're staring at the stars tonight  
I'm all wrapped up in blue

If I had it my way  
I'd be on that train to L.A.  
'Cause I never met somebody quite like you  
And I think it would be awesome  
If you'd get on the plane to Austin  
Maybe missing you is more than I can do

We both knew it was long overdue  
But you finally got your break  
Now you get to see the world and I'm so proud  
Everybody knows your name  
Don't take this wrong because I know you belong  
Out there on that stage  
But I swear if my life was an open book  
It would be missing a page

If I had it my way  
I'd be on that train to L.A.  
'Cause I never met somebody quite like you  
And I think it would be awesome  
If you'd get on the plane to Austin  
Maybe missing you is more than I can do

If I had it my way  
I'd be on that train to L.A.  
'Cause I never met somebody quite like you  
And I think it would be awesome  
If you'd get on the plane to Austin  
Maybe missing you is more than I can do

Maybe missing you is more than I can do
