

# Don't Think Twice, It's All Right

Randy Travis

Ain't no use to sit and wonder why babe  
If you don't know by now  
Ain't no use to sit and wonder why babe  
It'll never do somehow  
When your rooster crows at the break of dawn  
Look out your window babe and I'll be gone  
You're the reason I keep travelin' on  
But don't think twice it's all right

Ain't no use in turning on your light babe  
That light I've never known  
Ain't no use in turning on your light babe  
I'm on the dark side of the road  
Wishin' there was something you could do or say  
To try and make me change my mind and stay  
But we never did too much talkin' anyway  
But don't think twice it's all right

Ain't no use in callin' out my name now  
Like you never done before  
Ain't no use in callin' out my name gal  
I can't hear you anymore  
Walkin' and a thinkin'  
Goin' down this road  
I once loved a woman  
A child I'm told  
I gave her my heart but she wanted my soul  
But don't think twice it's all right

So long honey baby  
Where I'm bound I can't tell  
Goodbye is just too good a word babe  
I'll just say fare thee well  
I ain't sayin' you treated me unkind  
You could have done much better babe  
But I don't mind  
You just wasted some of my precious time  
But don't think twice it's all right

Don't think twice it's all right
