

# Forever Together

Randy Travis

I took you for granted  
So many years  
I gave you no hope  
Broken promises and tears

But when I was down  
It was you who was there  
To pick up the pieces  
And show me you care

Forever together  
'Til death do we part  
Forsaking all others  
I'll give you my heart

Through good times and bad times  
Wherever we are  
Forever together  
In each other's arms

You seem to know  
What we had all along  
And you had the love  
And the faith to go on

It took some time  
But now I realize  
That I see it all  
When I look in your eyes

Forever together  
'Til death do we part  
Forsaking all others  
I give you my heart

Through good times and bad times  
Wherever we are  
Forever together  
In each other's arms  
Forever together  
In each other's arms
