

## It's Just a Matter of Time

Randy Travis

Someday, someday  
You'll realize that you've been blind  
Yes darling, you're gonna need me again  
It's just a matter of time

Go on, go on  
'Til you've reach the end of the line  
'Cause I know you'll pass my way again  
It's just a matter of time

After I gave you everything I had  
You laughed and called me a clown  
Remember in your search for fortune and fame  
What goes up must come down

I know, I know that one day  
You'll wake up and find  
That my love is a true love  
It's just a matter of time

Someday and someday  
Girl, you'll realize that you've been blind  
Yes darling, I know you gonna need me again  
It's just a matter of time

After I gave you everything I had  
You laughed and you called me a clown  
But remember in your search for fortune and fame  
What goes up must come down

I know, I know that one day  
You'll wake up and find  
That my love was a true love  
It's just a matter of time
