It's Just a Matter of Time

Randy Travis

Someday, someway You'll realize that you've been blind Yes darling, you're gonna need me again It's just a matter of time

Go on, go on
'Til you've reach the end of the line
'Cause I know you'll pass my way again
It's just a matter of time

After I gave you everything I had You laughed and called me a clown Remember in your search for fortune and fame What goes up must come down

I know, I know that one day You'll wake up and find That my love is a true love It's just a matter of time

Someday and someway Girl, you'll realize that you've been blind Yes darling, I know you gonna need me again It's just a matter of time

After I gave you everything I had You laughed and you called me a clown But remember in your search for fortune and fame What goes up must come down

I know, I know that one day You'll wake up and find That my love was a true love It's just a matter of time
