

# No Stoppin' Us Now

Randy Travis

There's no stoppin' us now  
We've gone all the way  
There's no slowin' down  
This love fits us so right  
There's no holdin' back  
And there's no end in sight.

You and I have found  
What few will ever find  
And we started so young  
Even time's on our side.

There's no stoppin' us now  
We've gone all the way  
There's no slowin' down  
This love fits us so right  
There's no holdin' back  
And there's no end in sight.

It's hard to believe  
That I really got by without you  
So now every hour seems empty  
When I'm not beside you.

There's no stoppin' us now  
We've gone all the way  
There's no slowin' down  
This love fits us so right  
There's no holdin' back  
And there's no end in sight.

There's no holdin' back  
And there's no end in sight...
