

# Roamin' Wyomin'

Randy Travis

I'm roamin' Wyomin'  
Dreamin' of your chestnut hair  
And eyes of sparklin' blue  
So I keep roamin' Wyomin'  
And hopin' that my roamin'  
Leads me home to you

I left Aberdeen  
On a cattle drive last spring  
I was just another hand  
Ridin' through the old bad lands

There was dust and there was mud  
There was sweat and there was blood  
But after all this time  
You still prey upon my mind

I'm roamin' Wyomin'  
Dreamin' of your chestnut hair  
And eyes of sparklin' blue  
So I keep roamin' Wyomin'  
And hopin' that my roamin'  
Leads me home to you

Sleepin' on an old bed roll  
Eatin' beans and sourdough  
The days are lonely and they're long  
I'm wonderin' why I hired on

We round 'em up and move 'em out  
As I point my saddle south  
This big Wyomin' sky  
Sure is blue and so am I

I keep roamin' Wyomin'  
Dreamin' of your chestnut hair  
And eyes of sparklin' blue  
So I keep roamin' Wyomin'  
And hopin' that my roamin'  
Leads me home to you

I keep roamin' Wyomin'  
And hopin' that my roamin'  
Leads me home to you
