

Singing the Blues

Randy Travis

Well, I never felt more like singing the blues
'Cause I never thought
That I'd ever lose, your love dear
Why did you do me this way

Well, I never felt more like crying all night
'Cause everything's wrong
And nothing is right, without you
You got me singing the blues

Well, the moon and stars no longer shine
The dream is gone out from my mind
There's nothing left for me to do
But cry-y-y over you

Well, I never felt more like running away
But why should I go
'Cause I couldn't stay, without you
You got me singing the blues.

I never felt more like singing the blues
'Cause I never thought
That I'd ever lose, your love dear
Why did you do me this way

Well, I never felt more like crying all night
'Cause everything's wrong
And nothing is right, without you
You got me singing the blues

Well the moon and stars no longer shine
The dream is gone out from my mind
There's nothing left for me to do
But cry-y-y over you

Well, I never felt more, like running away
But why should I go
'Cause I couldn't stay, without you
You got me singing the blues...
