Singing the Blues

Randy Travis

Well, I never felt more like singing the blues 'Cause I never thought That I'd ever lose, your love dear Why did you do me this way

Well, I never felt more like crying all night 'Cause everything's wrong And nothing is right, without you You got me singing the blues

Well, the moon and stars no longer shine The dream is gone out from my mind There's nothing left for me to do But cry-y-y over you

Well, I never felt more like running away But why should I go 'Cause I couldn't stay, without you You got me singing the blues.

I never felt more like singing the blues 'Cause I never thought That I'd ever lose, your love dear Why did you do me this way

Well, I never felt more like crying all night 'Cause everything's wrong And nothing is right, without you You got me singing the blues

Well the moon and stars no longer shine The dream is gone out from my mind There's nothing left for me to do But cry-y-y over you

Well, I never felt more, like running away But why should I go 'Cause I couldn't stay, without you You got me singing the blues...
