## **Singing the Blues**

## **Randy Travis**

Well, I never felt more like singing the blues 'Cause I never thought
That I'd ever lose, your love dear
Why did you do me this way

Well, I never felt more like crying all night 'Cause everything's wrong
And nothing is right, without you
You got me singing the blues

Well, the moon and stars no longer shine The dream is gone out from my mind There's nothing left for me to do But cry-y-y over you

Well, I never felt more like running away But why should I go 'Cause I couldn't stay, without you You got me singing the blues.

I never felt more like singing the blues 'Cause I never thought
That I'd ever lose, your love dear
Why did you do me this way

Well, I never felt more like crying all night 'Cause everything's wrong
And nothing is right, without you
You got me singing the blues

Well the moon and stars no longer shine The dream is gone out from my mind There's nothing left for me to do But cry-y-y over you

Well, I never felt more, like running away But why should I go 'Cause I couldn't stay, without you You got me singing the blues...
