

T.I.M.E.

Randy Travis

Hey mister, don't you know you're gonna lose her if you're always workin'

I know you're thinking maybe you can buy her everything she's ever wanted

But what she really wants is some T.L.C.

Women spell love T.I.M.E.

You can get rich, you can make that money
But one of these days you're gonna find your honey
On the other side of town in a rented double-wide
With some ole' boy that's got nothin' but time

Slow down, smell the roses and the coffee
Don't you let her get lonely
Call her up just to tell her and remind her
She's your one and only
Keep workin' late and one night you'll see
Women spell love T.I.M.E

Hold her hand, take a walkin', do some talkin'
And a whole lotta listenin'
It won't be long 'til you get a little taste
Of what you've really been missin'
They say the best things in life are free
Women spell love T.I.M.E

You can get rich, you can make that money
But one of these days you're gonna find your honey
On the other side of town in a rented double-wide
With some ole' boy that's got nothin' but time

Take off next Friday, spend the weekend
Acting like you got forever
She won't care where you're goin', what you're doin'
Just as long as you're together
It 'aint as simple as 1, 4.3
Women spell love T.I.M.E.
Work 'aint enough, she wants T.L.C.
Women spell love T.I.M.E.
