

# Whisper My Name

Randy Travis

I heard a freight train out across the way  
I heard a woman sing amazing grace  
I heard a night bird call to it's mate  
When I heard you whisper my name

I heard freedom break it's chain  
I heard a heart beat where once no sound remained  
I heard Angels rise and praise  
When I heard you whisper my name

I heard music bring a heart of stone to tears  
And I heard peace ring like an anthem through the years  
And I heard hatred fall from grace  
When I heard you whisper my name

Beating softly against the waves  
Fell a sound of an early morning rain  
And though the lightin' and thunder came  
I still heard you whisper my name

I heard music bring a heart of stone to tears  
And I heard peace ring like an anthem through the years  
And I heard hatred fall from grace  
When I heard you whisper my name

I heard Angels rise and praise  
When I heard you whisper my name
