

## You and You Alone

Randy Travis

When this ole world gets me down  
And life's a chain I drag around  
When I can't find a ray of hope  
To help me soothe my worried soul

Only you and you alone  
Can turn the darkest night into dawn  
The only reason for hangin' on  
Is you and you alone

Holding you close to me  
Gives me all the strength I need  
Then I wake up, it's just a dream  
All that's left are memories

Of you and you alone  
Can turn the darkest night into dawn  
The only reason for hangin' on  
Is you and you alone
