

# Freedom Song

Randy

On an old city bus in the streets of Hanoi  
The people sit quiet except for one boy  
He's humming and singing on a simple melody  
He said this is a song about being free

In the city of Stockholm they're reclaiming the streets  
Everybody's dancing and stomping their feet  
One guy is shouting in a megaphone  
He said this is ours and ours alone

Come on everybody sing with me  
This is a song about being free  
The days of submission won't last long  
This is a freedom song

Oh, here it goes!  
Rama lama ding dong ding dong  
Rama lama ding dong (ding dong)

O.K. ckeck this out  
A russian girl on a summer holiday  
On a Greyhound bus through the U.S.A.  
She said so this is how it feels like to be free  
Well the weather is nice and there's so much to see

Come on everybody sing with me  
This is a song about being free  
Days of submission, oh no, won't last long  
This is a freedom song

Oh, I gotta sing it!  
Rama lama ding dong ding dong  
Rama lama ding dong (ding dong)  
Rama lama ding dong ding dong  
Rama lama ding dong (ding dong)

In Kingston Jamaica & New York U.S.A.  
Across the whole world people fighting for another way  
Some of them sing and some of them write  
Some work hard in the factories and some just stand up fight

Come on and sing it!  
Rama lama ding dong ding dong  
Rama lama ding dong (ding dong)  
Rama lama ding dong ding dong  
Rama lama ding dong (ding dong)
