

Losing My Mind

Randy

Well I'm on a mission.
And what I try to find.
Is a decent explanation.
To the darkness in my mind.

Tell me Mr. Machine Gun.
Are you the man behind.
Lady law and order.
And the darkness in my mind.

I'm alone yeah I'm by myself.
Yeah I'm by myself.
Yeah I'm by myself.
I'm alone yeah I'm by myself.
Yeah I'm by myself.
Yeah I'm by myself.

I'm losing my mind.

Tell me Dr. Frankenstein.
Are you the man behind.
The monster in my closet.
That I can't seem to find.

Tell me now sweet mama roux.
Are you sure you got it right?
Cause the voodoo that you threw me.
Seems to keep me up all night.

My suspicious, vicious, pissious mind.
Fucked up mind.
