

It's All Good

Rangers

I said I'm just tryin'
To live my dreams out in reality
Now, can you feel me?
Yeah, I know you feel me
Yeah
Haters wanna see me fall
When my family wanna see me ball
See my by like twitch
No mess
...
But I ain't even gonna trip
It's all good
It's all good
It's all good
Oh
Goin' up
Livin' life
Never slow it up
It's all good
It's all good
It's all good
Aa
Goin' up
Livin' life
Never slow it up
Words can't bring me down
I know I'm hot
So you can blow me
... got lives in the glowin'
In top about to get stolen
From a man in a van like ...
This the good life I'm floatin'
If you wanna know
People try to bring me down
But that only shows
They're below me
Oh, stop hatin' on me, word
That's a bitch trait
Why don't you get some ambition
And get your shit straight
'Cause ain't gonna stop
And you can't stop me
And even no bully come to my head
Keep on the trigger
And right when you're done, man, don't bully
The gun don't jam
'Cause this ain't the plan
...
... the scam
Eiffel one toy so I need to ...
Study game paper like I need the ...
My life's good, from my family
So I got support
Everybody got a pass
So don't judge me
I ain't in a court
Haters wanna see me fall

When my family wanna see me ball
See my by like twitch
No mess

...

But I ain't even gonna trip
It's all good
It's all good
It's all good

Oh

Goin' up
Livin' life
Never slow it up
It's all good
It's all good
It's all good

Aa

Goin' up
Livin' life
Never slow it up
It's all good

At the time it's gonna beat us
... switchin' in the other lane
Hopin' ... no other fence gonna keep up
No matter what we gonna beat us
If it's meant to be
It's gonna happen
Best believe in the God we trust
Keep it goin' no matter what happens
Just be patient and might take a second
'Cause we livin' so young and reckless
Keep hatin' what the heart is sackin'
Might learn your lesson when
Your bless is ...

Forget other ... hate
Givin' no time at the day

Ah

They know not to hate to my face
They know that it be a mistake

Ha

They all wake up and still be dreamin'
Strokin' the bed, kiss the chick, speak English
Good feelin', that good feelin' when
Hear the color pick up the ringin'

Ah

Hello

Try to blow like mellow
They all talkin' shit
Yeah

Imma give'em ...

Haters wanna see me fall
When my family wanna see me ball
See my by like twitch
No mess

...

But I ain't even gonna trip
It's all good
It's all good
It's all good

Oh

Goin' up
Livin' life
Never slow it up
It's all good

It's all good
It's all good
Aa
Goin' up
Livin' life
Never slow it up
When I wake up
Put to work every day
Provide for my fam
Haters, stay out of my way
When they try to tackle me
... keep my head up
Then I run them over
Who gonna stop me
From crossin' the gold line
Like a soul eclipse
These niggers try to black my shine
But it's all good
'Cause Imma get my mind on money
Money on my mind
Fake mix
Don't like
...
Make it left
...
Rockin' right ...
To protect me from the bright lights
I just wanna ball and change the game light
My bitch

Haters wanna see me fall
When my family wanna see me ball
See my by like twitch
No mess

...
But I ain't even gonna trip
It's all good
It's all good
It's all good
Oh
Goin' up
Livin' life
Never slow it up
It's all good
It's all good
It's all good
Aa
Goin' up
Livin' life
Never slow it up
