Girl you got problems and no I can't solve em

Talked to my homie on the side

[Langston:]

See ya later I'm going outta here, bye
Ain't nobody thinkin' bout you cause a nigga to fly
We only ran into each other girl don't be shy
And I ain't the right dude to come try to tie down
Never down so I'm with the eagles
And if a girl set me up I will get lethal
Like a weapon girl get to steppin'
Find another crew cause the rangers ain't whatchu reppin

No more, no more, no more

[Day Day:]

Move it to the left, to the left, to the le-left
My feelings for you are slanted
Moving in a downwards fashion

And I'm done with you boo go ahead and boo hoo
Now you feeling clueless
Don't know what to find true love
It walked out on you you lose, bye

[Spotlight:]

I think you that you should leave
I ain't the type of nigga to wear emotions on my sleeve
If you wanna bounce it ain't gon bug me
I ain't fallin in love with you at 16
Girl I'm livin life and just doin' my thing
Before you go tell me what's your homegirl name
She could be the one that could rock this bling
In the morning and I'm dippin I could'ntremember a thing ha
