Rangers

Walkin through the club
And it caught me by surprise,
Seen a bad lil shawty with some thick yellow thighs,
So I walk 2 her,
I'm hypnotized.
There's something bout this girl that got me feelin so right.
I said "what you doin baby,
What doin tonight
Cause I like that way that you look good oh yea u lookin nice."

Come with me and everything will be alright
And you can call me Jamie Foxx, I'll be deep
Stroking you slow tonight.

Posted in the club,
Like a mac,
Chillen back,
Then I seen this lil shawty
And I like the way she act,
Plus that ass real fat.
Baby come right over here.
Put it anywhere,
I don't really care.

[Chorus:]
Rotate them hips slowly [x2]
Now lemme see you bounce that ass on me slowly, slowly (on me).
Make it go up and down on me, slowly slowly (on me).
Move your body all around on me.
I love the way she ride it.

She is grindin so slow,
How low can she go.
She pullin on my shirt.
I'm holdin on her oh.
She poppin that back.
I'm all up on her ass as we slow dance.
I ask for her name she said "Roxxis".
She asked back I said [?] said the Man,
But let's hold a chit chat.
I'm tryna see where yo skills are at.
Slow grinding, never minding,
The people watching.

Oo girl, you lookin kinda nice,
How you move themhips,
Lemme grab that twice.
Lucky I let the other girl pass I
I'm lickin, I'm kickin dat A-A-Ass.
Later, I'm finna attack,
Switch it up from the from round to the back.
From the back she pack.
She turn around tryna grab my sack.

[Chorus:]
Rotate them hips slowly [x2]
Now lemme see you bounce that ass on me slowly, slowly (on me).

Make it go up and down on me, slowly slowly (on me).
Move your body all around on me.
I love the way she ride it.
