The Crown and the Ring - Morrison's Jig

From a battle I've come To a battle I ride Blazing up to the sky Chains of fate Hold a firey stride I'll see you again when I die

High and mighty alone we are kings Whirlwinds of fire we ride Providence brought us the crown and the ring Covered with blood and our pride

Heroes await me My enemies ride fast Knowing not this ride's their last Saddle my horse as I drink my last ale Bow string and steel will prevail

High and mighty alone we are kings Whirlwinds of fire we ride Providence brought us the crown and the ring Covered with blood and our pride

Odin I await thee Your true son am I I hail you now as I die I pledge you my sword and to no man I kneel Ours is the kingdom of steel

High and mighty alone we are kings Whirlwinds of fire we ride Providence brought us the crown and the ring Covered with blood and our pride
