

Good Man

Raphael Saadiq

Good man, I'm a good man, food's on the table, working two jobs
,
Ready willing and able check your name
I'm having fun, got no kids and I love the Lord, check your name
e
I'm a... never did time but maybe just once, check your name
And I puts it down, wanna see it twice, brother puts it down, c
heck

How could you ever walk away, after all I've done for you
I feel like there's a knife in my back, babe
You might as well pull it all the way through

Good man, I'm a good man, food's on the table, working two jobs
,
Ready willing and able check your name, good man
I'm having fun, got no kids and I love the Lord, check your name
e
I'm a... never did time but maybe just once, check your name
And I puts it down, wanna see it twice, brother puts it down, c
heck

You watched them hand cuff me lady, and walk me to my room
I never been so humiliated, I don't think that I deserve it for
you
Good man, I'm a good man, food's on the table, working two jobs
,
Ready willing and able check your name, good man
I'm having fun, got no kids and I love the Lord, check your name
e
I'm a... never did time but maybe just once, check your name
And I puts it down, wanna see it twice, brother puts it down, c
heck
I never been, I never been so much pain, never
My life is better, my love is pretty, so much better, now
Without you, I never had so... without you, whenever... inside
How could you... just... walk away
When the things go rough you quickly ran into... somebody say,
I've been there
There's one thing I know so I'm a tell you that I'm a good man,
back to you, a good man
Good man, good man, good man, good man.
