

## Still Ray

Raphael Saadiq

I'm comin' home to you, wear something see-through  
So I can see your heart  
For night can never come soon enough for me  
I watch the sky all day

Night is where I find you and peace of mind  
My days are filled with glee  
That's why I truly give you what you need  
Because you love me for me

Good runs all through you, I can't help myself  
You found my weakest spot  
But better woman to be there to sit next to  
That's why I'll always be with you

Yes, I'm funny like a clown, but I'm never down  
As long as you're around  
There will never be another one for me  
'Cause you are shinin' for me

Ooh... ooh...  
Oh... oh...  
Oh... oh... oh...  
Oh... oh... oh... oh...

You'll never have to beg me to come to bed  
I'll warm your bed each night  
If you want me to that's what I will do  
That's why I'll always be with you
