

Feelin' Alright

Rare Earth

Seems I've got to
Have a change of scene
Every night I have the strangest dreams
Imprisoned by the way
That it could have been

Left you on my own
Or so it seems I've got to get away
Before I start to scream
Cause someone locked the door
And took the key

Feeling alright?
I'm not feeling too good myself
I'm not feeling too good myself

Boy you sure took me for one big ride
And even now I sit and I wonder why
That when I think of you I start to cry

I just can't waste my time

I must keep dry
Gotta stop believing in all your lies
Cause there's too much to do
Before I die

Feeling alright?
I'm not feeling too good myself
I'm not feeling too good myself

Don't you get too lost in all I say
At the time I really felt that way
But that was then, yeah
Now it's today

I can't get up and so I'm here to stay
Till someone comes along
And takes my place with a different
Name and a different face

Feeling alright?
I'm not feeling too good myself
I'm not feeling too good myself
