

I Just Want To Celebrate

Rare Earth

I just want to celebrate another day of livin'
I just want to celebrate another day of life
I put my faith in the people
But the people let me down
So I turned the other way
And I carry on, anyhow
That's why I'm telling you

I just want to celebrate, yeah, yeah
I just want to celebrate, yeah, yeah
Another day of living,
I just want to celebrate another day of life

Had my hand on the dollar bill
And the dollar bill blew away
But the sun is shining down on me
And it's here to stay
That's why I'm telling you

I just want to celebrate, yeah, yeah
Another day of living, yeah
I just want to celebrate another day of living
I just want to celebrate another day of life

Don't let it all get you down,
Don't let it turn you around and around
And around and around

Well, I can't be bothered with sorrow
And I can't be bothered with hate, no, no
I'm using up my time by feeling fine, every day
That's why I'm telling you I just want to celebrate
Aw, yeah
I just want to celebrate yeah yeah
Another day of living, yeah yeah
I just want to celebrate another day of livin', yeah
I just want to celebrate another day of life

Don't let it all get you down, no, no
Don't let it turn you around and around,
And around and around, and around
Around round round
'round and around round round round
don't go 'round
