## **Bless the Broken Road**

**Rascal Flatts** 

I set out on a narrow way, many years ago Hoping I would find true love along the broken road But I got lost a time or two Wiped my brow and kept pushing through I couldn't see how every sign pointed straight to you

Every long lost dream led me to where you are Others who broke my heart, they were like northern stars Pointing me on my way into your loving arms This much I know is true

That God blessed the broken road That led me straight to you Yes He did

I think about the years I spent, just passing through I'd like to have the time I lost, and give it back to you But you just smile and take my hand You've been there, you understand It's all part of a grander plan that is coming true

Every long lost dream led me to where you are Others who broke my heart, they were like northern stars Pointing me on my way into your loving arms This much I know is true

That God blessed the broken road That led me straight to you

But now I'm just rolling home into my lover's arms This much I know is true

That God blessed the broken road That led me straight to you

That God blessed the broken road That led me straight to you
