

# Forever

Rascal Flatts

Ooh. Hiya.  
I miss you so much  
Your light, your smile, your way  
and everything about us.  
Now you're gone,  
You're still here in my heart, in my tears.  
Yeah you sure left your mark.  
And we were just getting started.

It wasn't long enough,  
It wasn't long enough together  
but it was long enough,  
yeah it was long enough to last forever.

Sometimes I get so mad, I scream, I swear at this  
cause this isn't how we planned it.  
I sit here in a cold room  
prayin', waitin' on you,  
to run back through that door,  
to the way it was before  
you left

It wasn't long enough,  
It wasn't long enough together  
but it was long enough,  
yeah it was long enough to last forever.

I've been cheated (I've been Cheated)  
Defeated (defeated, to believe)  
To believe that you're gone.  
(You're gone, you're gone)  
Ooh it was wrong (so wrong, so wrong)

It wasn't long enough  
It wasn't long enough  
It wasn't long enough

No

It wasn't long enough,  
It wasn't long enough together  
but it was long enough,  
yeah it was long enough to last forever.

It wasn't long enough (6x)
