Don't get so uptight You gotta let it slide Well life is hard enough

Red light Late again, That joker cut me off When will it end? Cell phone Out of range Can you hear me now? I'm going insane Well, who's that honkin' at me? Yeah, that's the last thing I need Yeah, it's alright It's just another day called life Any way it goes I'm coming home to you tonight Don't sweat the small stuff Life is hard enough I thank the Lord above We got a great big love Great big love Mmm, check it out Got breaking news All that matters is that I got you The little things We think they're somethin' But when you add 'em up they add up to nothin' Well, come on world, is that all you got? That ain't a lot if that's your best shot Yeah, it's alright It's just another day called life Any way it goes I'm coming home to you tonight Don't sweat the small stuff Life is hard enough I thank the Lord above We got a great big love, yeah It's alright It's just another day called life Yeah, it's alright It's just another day called life Well, any way it goes I'm coming home to you tonight Don't sweat the small stuff Life is hard enough I thank the Lord above We got a great big

We've got a great big love, yeah Well, life is hard enough

Don't sweat the small stuff
Oh, life is hard enough
I thank the Lord above
We've got a great big love, yeahoo
