

Hot in Here

Rascal Flatts

She jumped in my truck in her bare feet
Slid on over to the middle seat
Baby crack a window,
Crank that AC high as it can go

Sign at the bank says it's 71
But it feels like we're sitting on the sun
That little cotton dress ain't helping none
'Bout to run me off the road

And I, I can barely breathe
Then she puts her hand, over on my knee
And I don't know what to do
Doin' everything, tryin' to keep my cool

But it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, I can't take her anywhere
It's so hot, hot, hot in here

So I took a turn heading for the creek
That suntan skin was a sight to see
Soon as she got in I could see the steam
Rising up off the water

And I, I can barely breathe
Then she wraps her arms all around me
And I don't know what to do
Doin' everything, tryin' to keep my cool

But it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, I can't take her anywhere
It's so hot, hot, hot in here

When we dried off by the bank (It was getting dark)
We threw a blanket on the ground (Underneath the stars)
Should've been a little cooler in the moonlight
Then she laid her lips on mine
Oh, she laid her lips on mine
Oh, yeah

And I, I can barely breathe
Anytime that she's anywhere close to me
And I don't know what to do
Doin' everything, tryin' to keep my cool

But it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, I can't take her anywhere
It's so hot, hot, hot in here
So hot, hot, hot in here, yeah
I can't take her anywhere
It's so hot, hot, hot in here
So hot in here
Anytime she's close to me
It's so hot, hot, hot in here
