

# Play

Rascal Flatts

You're a single mom with three kids and just as many jobs  
Your candle burns at both ends but you can't make it stop  
You're a farmer on a John Deer, honest work for little play  
Now throw that thing in park it's time to play

Like it's midnight in Vegas  
Mardi Gras in New Orleans  
New Years Eve in New York City  
You know what I mean  
It's like lovers in Paris  
Sunset strip in L.A.  
Doesn't matter where you are,  
Well it's alright, it's alright to play

Oh, yes it is

Where there ain't no drugs or doctors who can get you what you need  
I've got the magic potion and it doesn't cost a thing  
Yeah, you've seen some hard times  
Life just works out that way  
When your smack dab in the middle you gotta play

Like it's midnight in Vegas  
Mardi Gras in New Orleans  
New Years Eve in New York City  
You know what I mean  
Like lovers in Paris  
Sunset strip in L.A.  
Doesn't matter where you are,  
Well it's alright, it's alright to play

Hey, hey

Like a kiss in the moonlight  
Barefoot walks on the beach  
Like sipping champagne straight from a bottle  
You know what I mean

Like it's midnight in Vegas  
Mardi Gras in New Orleans  
New Years Eve in New York City  
You know what I mean  
Like lovers in Paris  
Sunset strip in L.A.  
Doesn't matter where you are,  
Yeah it's alright, it's alright to play

It's alright to play,  
It's alright, it's alright,  
It's alright to play, yeah it's alright  
(Come on come on come on)  
It's alright to play,  
It's alright to play, it's alright,  
It's alright it's, alright to play  
It's alright to play,  
Yeah it's alright to play, it's alright it's alright, it's alright to play  
Yeah it's alright to play, it's alright to play,

Yeah it's alright it's alright to play  
Well it's alright it's alright well it's alright alright to play  
It's alright to play
