Prayin' for Daylight

Rascal Flatts

I don't want to spend another lonely night 0000000

I've got the lights turned up The door is locked, the bedroom TV's on Doing the only thing that gets me through the night Since you've been gone

Prayin' for daylight waiting for that morning sun So I can act like my whole life ain't going wrong Baby come back to me, I swear I'll make it right Don't make me spend another lonely night Prayin' for daylight

I made a bad miscalculation Betting you would never leave 'Cause if you're getting on with your new life Then where does that leave me

Prayin' for daylight waiting for that morning sun So I can act like my whole life ain't going wrong Baby come back to me, I swear I'll make it right Don't make me spend another lonely night Prayin' for daylight Prayin for daylight

Prayin for daylight Hoping that I didn't wait too long That this is just the dark before the dawn

Deep in my heart I know That you love me as much as i love you And that you must be lying somehwere Looking up to heaven too

Prayin' for daylight waiting for that morning sun So I can act like my whole life ain't going wrong Baby come back to me, I swear I'll make it right Don't make me spend another lonely night Prayin' for daylight

Prayin' for daylight waiting for that morning sun So I can act like my whole life ain't going wrong Baby come back to me, I swear I'll make it right Don't make me spend another lonely night Prayin' for daylight

Prayin' for daylight I don't want to spend another lonely night I don't want to spend another lonely night Prayin' for daylight
