

See Me Through

Rascal Flatts

Ah, yeah
Ah, yeah, yeah

Before we met I was free
I never had to worry about anyone but me
Now that boy is gone and in his place
Is a man who needs to hold you night and day
So if I stumble, if I fall
Forgive me, I'm just learning as I go along

See me through, see me through
This aching heart has come so far
To be with you, see me through
With angel eyes, just look inside
At all this love I never want to lose
See me through

I know sometime I let you down
But I'm still getting used to having you around
And if I ever make you cry
There's nothing I won't do to make things right
I'm not perfect and that's for sure
A little time is all I'm asking for

See me through, see me through
This aching heart has come so far
To be with you, see me through
With angel eyes, just look inside
At all this love I never want to lose
See me through

See me through this mask I wear
Well, I'm almost there, you know I care
I am the man you always thought you knew

See me through, see me through
This aching heart has come so far
To be with you, see me through
With angel eyes, just look inside
At all this love I never want to lose
See me through

See me through, yeah see me through
Oh, see me through
Yeah, yeah -
Oooo, Oooo, Oooo, see me through
Oh, we're almost there, can't you see that
I'm almost, girl I'm almost there
This mask I wear
Girl, I'm almost there, I'm almost there
See me, see me through this mask I wear
I'm almost there
Oooo, Oooo, Oooo, girl
See me through, girl
