

# See Me Through

Rascal Flatts

Ah, yeah  
Ah, yeah, yeah

Before we met I was free  
I never had to worry about anyone but me  
Now that boy is gone and in his place  
Is a man who needs to hold you night and day  
So if I stumble, if I fall  
Forgive me, I'm just learning as I go along

See me through, see me through  
This aching heart has come so far  
To be with you, see me through  
With angel eyes, just look inside  
At all this love I never want to lose  
See me through

I know sometime I let you down  
But I'm still getting used to having you around  
And if I ever make you cry  
There's nothing I won't do to make things right  
I'm not perfect and that's for sure  
A little time is all I'm asking for

See me through, see me through  
This aching heart has come so far  
To be with you, see me through  
With angel eyes, just look inside  
At all this love I never want to lose  
See me through

See me through this mask I wear  
Well, I'm almost there, you know I care  
I am the man you always thought you knew

See me through, see me through  
This aching heart has come so far  
To be with you, see me through  
With angel eyes, just look inside  
At all this love I never want to lose  
See me through

See me through, yeah see me through  
Oh, see me through  
Yeah, yeah -  
Oooo, Oooo, Oooo, see me through  
Oh, we're almost there, can't you see that  
I'm almost, girl I'm almost there  
This mask I wear  
Girl, I'm almost there, I'm almost there  
See me, see me through this mask I wear  
I'm almost there  
Oooo, Oooo, Oooo, girl  
See me through, girl
