The Day Before You

Rascal Flatts

I had all but given up on finding the one that I could fall int
o
On the day before you
I was ready to settle for less than love and not much more
There was no such thing as a dream come true
Oh, but that was on the day before you

Now you're here and everything's changing
Suddenly life means so much
I can't wait to wake up tomorrow
And find out this promise is true
I will never have to go back to the day before you

In your eyes I see forever
It makes me wish that my life never knew the day before you
Oh, but Heaven knows those years without you
Were shapin' my heart for the day that I found you
If you're the reason for all that I've been through
Then I'm thankful for the day before you, yeah, yeah

Now you're here and everything's changing
Suddenly life means so much
I can't wait to wake up tomorrow
And find out this promise is true
I will never have to go back to the day before you
Was the last day that I ever lived alone
And I'm never goin' back, no, I'm never goin' back

Now you're here and everything's changing
Suddenly life means so much
I can't wait to wake up tomorrow
And find out this promise is true
I will never have to go back to
Yeah, I will never have to go back to
The day before you, the day before you
