

## Where You Are

Rascal Flatts

There you are standing strong,  
I'm a leaf holding on  
You believe like a child,  
In this fire runnin' wild  
Oh I love how you see  
Right to the heart of me

You're a waterfall, washing over me  
I'm a thirsty man let me drink you in  
Well I am on my way,  
You're a mountain top  
When I reach for you, your love lifts me up  
All that I want is to be  
Where you are

I'm the frozen ground, you're the warm sunlight  
Shining down on me, baby just in time  
Well I have never been in a love like this  
Oh, you move my soul every time we kiss  
And I love how you heal;  
I can't believe how alive I feel

You're a waterfall, washing over me  
I'm a thirsty man let me drink you in  
Well I am on my way,  
You're a mountain top  
When I reach for you, your love lifts me up  
All that I want is to be  
Where you are

Where you are - Oooo, Oooo, Oooo

You're a waterfall, washing over me  
I'm a thirsty man let me drink you in  
Well I am on my way,  
You're a mountain top  
When I reach for you, your love lifts me up  
All that I want is to be  
Where you are
