## Yes I Do

**Rascal Flatts** 

Do I cry, in the night? Do I long to hold you tight? And do I wake, wanting you? Yes I do Do I recall, everyday, How you took my breath away? Do I remember loving you? Yes I do Yes I do dream of all we had together Yes it's true we lost it all forever Do I pray anyway? Yes I do Well I don't live in the past Wanting love that wouldn't last Well I don't ache, like I used to Yes I do Yes I do dream of all we had together Yes it's true we've lost it all forever Do I pray anyway? Yes I do Yes I do dream of all we had together Yes it's true we lost it all forever Do I pray anyway? Yes I do
