

# Bullet

The Rasmus

I think i should go and leave you alone, yeahh  
Stop this game and hang up the phone.  
And more.  
I should go into the night alone, get inside of the cyclone.  
It's like I wanted to break my bones to get over you.  
'Cos if I stay, I'm number two anyway.

[Chorus]

Like a bullet u can hurt me,  
Take me, break me.  
Like fire you can burn me, convert me.  
Like a bullet you can hurt me.

Like a bullet you can hurt me.

You say there are so many things going on in your life, now.  
It's so very hard to find time for, me.  
You say to you believe in the destiny?  
That's just the way it's meant to be.

I gotta leave you to make you see I'm over you  
'coz if I stay, I'm number two anyway

[Chorus]

I Can't believe it when my friends say:  
Take it easy, don't u worry bout the rainy days.

Like a bullet u can hurt me,  
take me, break me.  
Like fire you can burn me, convert me.  
Like a bullet you can hurt me.

Maybe i'm blind,  
Forever gone.  
Don't get me wrong  
I don't belong here.

Like fire you can burn me.  
Like a bullet you can hurt...

[Chorus]

I Can't believe it when my friends say:  
Take it easy, don't you worry bout the rainy days.

[Chorus]

Like a bullet you can hurt me.  
Like fire you can burn me.  
Please hurt me.
